Re: Corrective Filing Request
Application #09/011,696
Attorney Docket #38729-170990

To Whom It May Concern:

I recently received the "Notice of Publication of Application", and I noticed that my first name was spelled with more than one "L". My name ("Philip") uses only one "L". It appears that this was an entry error on your end, and your helpful customer service center representative informed me that a simple faxed request should be enough to correct this small error.

Please let me know if this faxed letter is sufficient to process my request.

Best Regards,

Philip Staehelin
